Governing Document and Constitution

Rural Cambs Citizens Advice Bureau Ltd is a Registered Charity and a Company Limited by Guarantee. The maximum liability of each member is limited to £1. At 31st March 2022, the Charity had sixteen members (2021 twenty-one members).

The Charity was incorporated as a Company Limited by Guarantee on 1st February 2012 and registered as a charity on 7th March 2012.

The Charity was incorporated under a Memorandum of Association, which established the objectives and powers of the charitable company and is governed under its Articles of Association. Each principal member of the organisation is, therefore, a member of the Charity and has a right to attend and vote at company general meetings. Members support the organisation by volunteering their services free.

Recruitment and Appointment to Board of Trustees

Trustees, who are also Directors of the Charity, are recruited and elected from the local community. In maintaining its independence, the Trustee Board ("Board") is responsible for ensuring no other persons or external organisations are entitled to appoint persons to the Board.

The maximum number of Trustees is fifteen and the minimum number is three. All elected Trustees shall retire from office at the third Annual General Meeting following their election or appointment respectively but may be re-elected for a further three-year term, with a six-year restriction applying only to the post of Chair, Vice-Chair and Treasurer. Board members are elected for their knowledge and/or expertise and each has a specific executive responsibility.

New members of the Board are provided with information about the service's governance, the responsibilities of company directors and charity trustees, an invitation to a Citizens Advice Trustee Induction Day and are appointed a mentor from among the Board. As a part of the induction, new Trustees are required to sign a code of conduct in carrying out their responsibilities in the best interests of the Charity. It is generally the case that new members are already aware of the activities and aims of the service.

Organisational Structure and Decision Making

The Charity is governed by its Board, which is responsible for setting the strategic direction of the organisation and the policy of the Charity. The Board carry the ultimate responsibility for the conduct of the Charity and for ensuring the Charity satisfies its legal and contractual obligations.

The Board meets at least six times a year. In between meetings, matters requiring the Board's authorisation are dealt with by email and/or telephone and then ratified and Minuted at its next meeting.

The Board is independent from management. A register of members' interests is maintained at the registered office, and is available to the public.

A Finance Panel, which meets regularly, is responsible for helping the Chief Officer to resource new funding and scrutinising service level agreements, contracts and bids and risk.

The organisation's Chief Officer, Mr N Blencowe is responsible to the Board for:

- Management, development and strategic planning
- Vision and leadership in the continuing development of the Charity
- Serving and advising the Board in carrying out their responsibilities, in maintaining an overview of the organisation and in making appropriate strategic, policy and financial decisions.

Relationships with Related Parties

The Charity is a member of 'National Citizens Advice', the operating name of the National Association of Citizens Advice Bureau, which provides a framework for standards of advice and casework management as well as monitoring progress against these standards. Operating policies are independently determined by the Board in order to fulfil its charitable objects and comply with the national membership requirements.

The Charity also co-operates and liaises with a number of other advisory services, local charities and the County and District Councils on behalf of clients. The Charity's principal sources of funds include National Citizens Advice negotiated contracts for "Help to Claim" (contract ended 31st March 2022) and the "Money and Pensions Service" and the District Councils of Fenland and Huntingdonshire during 2021/22.

Management Staff Remuneration Policy

The Trustees consider the Board and the Senior Leadership Team are the key management personnel of the Charity in charge of directing and controlling, running and operating the Charity on a day-to-day basis. All Trustees give their time freely and no Trustee receives any remuneration in the year. Details of Trustees expenses are disclosed in note 7 of the accounts.

The pay of the Senior Leadership Team is reviewed annually. The Trustees are able to benchmark this against pay levels in other local Citizens Advice centres of a similar size.

Major Risks

The Trustees have worked on a Risk Management Strategy and a Risk Register was agreed by the Board. The Trustees recognise that any major risks to which the Charity is exposed need to be reviewed and policies, procedures and systems put in place to mitigate those risks.

Any interruption to the service is managed by developing and implementing a successful recovery plan that involves, working with National 'Citizens Advice', staff and volunteers from neighbouring services and the Charity's partners.

Financial risk to the business which would result in a loss of significant funding is kept under review by the Finance Panel, which includes the Chief Officer, the Chief Financial Officer, a member of the Trustee Board and is chaired by the Chair of Trustees or the Treasurer. The panel looks at diversity of funding for the future, efficiency and other cost saving measures.

Advice may be provided by us or an approved partner organisation with the relevant specialist knowledge or experience.

During the last year CARC developed its service at the Digital Contact Centre, which is now the heart of our business. We will continue to develop a hub and spoke service around our Digital Contact Centre to ensure we are able to meet a client's needs, and allow us to offer both face to face, and telephone appointments ensuring the most appropriate channel for the clients is provided.

Charitable Objects

The Charity's objects are to promote any charitable purpose for the public benefit by the advancement of education, the protection and preservation of health and the relief of poverty, sickness and distress, in particular, but without limitation, for the benefit of the community in Cambridgeshire and surrounding areas.

The Trustees have paid due regard to the Charity Commission's guidance on public benefit in deciding the activities undertaken by the local Citizens Advice during the year. The Trustees are satisfied that the information provided in the report and accounts meets the public benefit reporting requirements.

The principal activity of the Charity remains the provision of free, confidential, independent and impartial advice, information and counsel for members of the public. This is provided through the Digital Contact Centre and local offices and community locations, eg Libraries across rural Cambridgeshire

The majority of advice and support is provided through the Digital Contact Centre, however we do have a number of staff and volunteers working remotely at home as well as through a hybrid working arrangement.

• **Employment**

All advisory services were provided through face-to-face consultations, telephone advice lines and outreach services at community hubs throughout the area.

Contribution of Volunteers

The Charity relies on volunteers to achieve its aims and objectives and to work under the supervision of its paid staff. Volunteers are involved in the provision of advice, fundraising, marketing, finance, governance and administration.

Our volunteer pool of 42 volunteers, including the trustees, contributed approximately 14,102 (ONS Earnings ASHE) hours of work to the local community through the Charity during the year.

We estimate the value of this help to be approximately £265,875 (ONS Earnings ASHE) in respect of the current year.

Achievements and Performance

CARC is an independent general advice service within Fenland and Huntingdonshire, which is able to offer quality assured advice across a full range of issues. Our scope covers the full range of Citizens Advice subject areas including benefits, debt, housing, employment, consumer, family, legal, immigration, health and education.

All our services are provided by our fully trained and dedicated volunteers, staff and specialist caseworkers, meeting the Advice Quality Standard (AQS).

2021/22 has been a challenging and tough year for many organisations, and we are very proud of the work CARC has achieved during this period.

Below are a few of our key highlights from the year:

- Successfully re-opened face-to-face services at a number of locations across rural Cambridgeshire.
- Expanded our offer through telephone advice appointments
- We helped 7,939 clients with 38,734 issues, which is only slightly less than the previous year which included clients from East Cambridgeshire (who decided to insource advice and ceased funding CARC). A fantastic achievement, and thank all our staff and volunteers for their dedication.
- We achieved over £5.2m in income gains for our clients.
- We successfully secured funding through Chatteris Town Council to provide a weekly face-to-face service for Chatteris residents
- Contributed £69k to rebuild our reserves and to re-invest in our service in 2022/23
- Instigated a rolling replacement program for IT equipment
- Investment in the recruitment of paid staff following the loss of volunteers due to the pandemic.

REPORT OF THE DIRECTORS AND TRUSTEES - Continued

- Successfully exceeding and delivering on the energy advice project, securing enhanced future funding
- Following the re-tendering of the Cambridgeshire Local Assistance Scheme Contract we yet again became a trusted partner, to provide information and advice under the scheme and to support clients with household essentials and emergency support for an additional 3 years.
- We successfully relocated our Wisbech office, due to the Lease expiring on our Church Mews premises, to the Queen Mary Centre, a local community centre in the heart of Wisbech.

Our Digital Contact Centre has continued to provide the backbone of our advice service to clients, growing its offer and reach allowing greater access to CARC's services. Our local Adviceline, a free phone service, is open Monday – Friday 9.30am – 3.30pm, supported by our other offices, remote staff and volunteers providing follow-on advice appointments (face to face or telephone) to clients with complex issues.

Our Universal Credit Help to Claim project came to a close due to a change of funding, our involvement in this project was highly successful and we remain a support to the national Universal Credit Help to Claim service.

During the year we continued to recruit new staff and volunteers to support our service and our training team spent time developing the training programme so they were able to interview and deliver the training via Zoom. This proved to be a successful way of training and allowed CARC to continue to contribute to the local economy by providing training opportunities for volunteers. During the year, a number of our trained volunteers have secured paid employment within CARC through our funded projects.

The Foodbank Project has built strong partnerships with Trussell Trust and local foodbanks leading to ongoing conversations about expanding and enhancing our current provision. This project enables us to support both the food banks and clients in need.

The project through our partnership with Cambridgeshire Acre supported extremely vulnerable and disengaged individuals living in Wisbech. This project has achieved many milestones including moving disengaged hard to reach clients to employment, training, improving their confidence enabling them to become a valued member in society

2021/22 has shown us that with the hard work and dedication of our staff and volunteers has enabled us to deliver a high quality advice service to those who need it during these unprecedented times.

Factors Affecting the Achievement of Objectives

The Charity is well aware of the financial pressures experienced by its major funders, and in view of this is taking active measures to seek additional sources of funding for its services and looking at ways to deliver the service.

The Charity wishes to secure effective joint working with Cambridge & District Citizens Advice and Citizens Advice Peterborough services in order to be in a position of sustainability and successful transition for the emerging local authority and public service changes which could include new commissioning opportunities under the combined mayoral authority.

Complaints

The Charity complies with the formal complaints procedure as set out by the Citizens Advice membership standards.

'How to make a complaint' posters and leaflets are clearly displayed in all the local offices.

CARC received 2 complaints during the 2021/22 and all were dealt with and resolved in a timely and professional manner.

The Charity understands its duty to protect the public, including vulnerable people, from unreasonably intrusive or persistent fundraising approaches, and undue pressure to donate but does not currently fundraise from the public or use any internal fundraisers or external fundraising agencies for either telephone or face-to-face campaigns and received no fundraising complaints during the year.

Financial Review

Financial Position

Income during the year was £657,209 (2020/21 £620,256), of this £310,223 (2020/21 £295,486) related to restricted project activities.

A surplus was made for the year of £69,148 (2020/21 £23,904).

As at 31st March 2022, total reserves were £182,460 (2020/21 £113,312).

Reserves Policy

The Trustees Reserves policy is to aim to hold unrestricted reserves equivalent to the higher of:

- The Charities operating lease commitments and contingent liabilities, which amount to the redundancy costs were the Charity to close.
- Two and a half months of normal operating expenditure.

The Charity's operating lease commitments and contingent liabilities as at 31st March 2022 equate to £70,294. Two and a half months of budgeted operational expenditure for 2022/23 equates to £99,912.

Rural Cambs Citizens Advice Bureau Ltd
REPORT OF THE DIRECTORS AND TRUSTEES - Continued

As at 31st March 2022 the total unrestricted reserves held amounted to £182,460. The charity is therefore currently exceeding its reserve policy levels however with the loss of funding from the Help to Claim Project, we are expecting to operate at a deficit in 2022/23 as we downsize and reallocate our resources going forward.

The Board reviews the financial position of the Charity at each Board meeting to ensure it can operate effectively within the level of reserves currently held.

Principal Funding Sources

The Trustees extend their gratitude to Fenland District Council, Huntingdonshire District Council, Chatteris Town Council, St Ives Town Council, St Neots Town Council, Wisbech Town Council, Whittlesey Town Council, National Citizens Advice and the Town and Parish Councils who continue to support the core operating capacity of the Charity. In addition, project specific funding was received from CHS Group and Cambridgeshire Acre, Clarion Futures, Arnold Clarke, Robert Hall Charity and The Hudson Foundation, Asda through Trussell Trust.

Investment Policy

The Charity does not currently hold material investments. Cash not required in the short term is held in a bank deposit account, which is considered by the Board to be the most suitable investment vehicle in which to safeguard funds.

The Future

Citizens Advice Rural Cambs, although a local charity aligns itself closely with and fully supports the principles of the National Citizens Advice, 'Future of Advice' strategy. Fully supporting and embracing the 5 focus areas which we will embed into our organisation over the next 3 years:

- 1) **Advice** – Continue to improve people's experience of our service, so that everyone leaves us with the knowledge and confidence they need to find a way forward.
- 2) **Advocacy** – Be an even stronger voice on issues that matter most to people who need our help.
- 3) **Technology** – Use technology to enable a positive experience for everyone, and free up resources to meet more demand.
- 4) **Sustainability** – Underpin our future as a service by ensuring we take a collaborative, proactive approach and commercial approach to securing and maintaining funding.
- 5) **Culture** – Be a collaborative, innovative and high-performing service that challenges discrimination and promotes equality, diversity and inclusion.

Supporting and aiding the National organisation to achieve its vision for 2022-23:

- Our service will be joined up
- We'll help you find a way forward, whatever your problem
- You'll get the level of support you need
- You know that we'll speak up for you

REPORT OF THE DIRECTORS AND TRUSTEES - Continued

These five strands fit with what we strive to achieve locally as an organisation and on a national scale.

STRATEGIC PRIORITIES

Introduction

There will always be a lot of major issues, initiatives and programmes underway at any one time and these will need to be prioritised and integrated to ensure that disruption of service to our clients is kept to a minimum and we actually deliver the desired outcomes.

Sustainability and Funding

Realistically, we have to assume that traditional Core Funding will continue to be a struggle and thus we must sustain our strong relationships with our existing Public Sector Funders. In addition, we will try to develop wider support from non-traditional sources and continue to cultivate other project and service contract-based Funding opportunities where we have the capability and confidence to deliver.

Priorities for 2022-25

Our primary focus for the next 3 years is to secure resilient services, across a range of channels, which provide the information, advice and support needed by local people through a focus on:

- further developing our high performing Digital Contact Centre
- building effective strategic and operational partnerships and alliances to secure sustainable services
- remaining responsive, open and adaptive
- Advancing equity, diversity and inclusivity in the services that we provide to local communities.

Statement of Trustees' Responsibilities

Small company provisions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small charitable companies.

The trustees (who are also the directors for the purpose of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees must prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue to operate.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees confirm that so far as they are aware, there is no relevant audit information (as defined by section 418(3) of the Companies Act 2006) of which the charitable company's auditors are unaware. They have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

h) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Pre-payments are valued at the amount pre-paid net of any trade discounts due. Accrued income and tax recoverable is included at the best estimate of the amounts receivable at the Balance Sheet date.

i) Cash at bank and in hand

Cash at bank and cash in hand includes cash.

j) Creditors

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

k) Financial Instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

l) Operating leases

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

m) Taxation

The company is considered to pass the test set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Purpose of Restricted Funds

Citizens Advice - Money and Pensions Service (MaPS)

Money advice service works with partners to make debt advice easier and quicker to access and to improve standards and quality across the sector.

Citizens Advice - Universal Support

The Help to Claim service supports clients in the early stages of a Universal Credit claim, from application through to first claim. The advisors can help clients for example, to gather evidence for their application or help them to prepare for their first Jobcentre interview.

Cambridgeshire Acre - Wisbech Community Led Local Development (CLLD)

Help into Work Project to support clients to move closer to a working environment by breaking down some of the barriers that have prevented them from seeking employment, training and education.

Foodbank Project

This two-year project is funded through Trussell Trust by Asda. CARC is working in partnership with Cambridgeshire foodbanks to tackle underlying causes of poverty by providing advice, casework and budgeting support for people accessing foodbanks. Our advisers provide intensive support and make a real difference to the lives of people accessing foodbanks – successfully reducing their need for foodbank support and developing resilience in their lives. We work across Cambridgeshire supporting beneficiaries of the foodbanks in Ely, March, Chatteris, Godmanchester, Ramsey and St Neots.

CHS Group - Building Better Opportunities (BBO)

Funded by the Lottery and the European Social Fund (ESF), this is a partnership project to build better opportunities for disadvantaged people across the Fenland area to deliver coaching and mentoring services to enable people to overcome financial issues, get on in life, and move towards the world of work.

National Lottery Community Fund – Coronavirus Debt Support

The Coronavirus pandemic has resulted in an increased number of clients becoming financially disadvantaged and in urgent need of help and support in particular with regards to debt and potential rent arrears. The project is an extension of our current offer of debt advice and support. The project provided an additional debt specialist worker for 15 hours per week for a period of six months.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF
RURAL CAMBS CITIZENS ADVICE BUREAU LTD**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF RURAL CAMBS
CITIZENS ADVICE BUREAU LTD**

Opinion

We have audited the financial statements of Rural Cambs Citizens Advice Bureau Ltd (the 'charitable company') for the year ended 31 March 2022 which comprise the Statement of Financial Activities, Balance Sheet Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF
RURAL CAMBS CITIZENS ADVICE BUREAU LTD**

information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report, which includes the directors' report prepared for company law purposes, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report .

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees' were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF
RURAL CAMBS CITIZENS ADVICE BUREAU LTD**

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following: the nature of the industry and sector, control environment and business performance including the key drivers for remuneration; the Charity's own assessment of the risks that irregularities may occur either as a result of fraud or error; results of our enquiries of management; any matters we identified having obtained and reviewed the charity's documentation of their policies and procedures relating to identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance; detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud.

In common with all audits under ISAs (UK) we are also required to perform specific procedures to respond to the risk of management override. We also obtained an understanding of the legal and regulatory framework that the Charity operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act and tax legislation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at:

<https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.
